There are a few commonly asked about items that we are unable to use or store at the shelter. We have partnerships with Neighborhood Relief Thrift Store, Our Daily Bread and Christian Corner Community Center. Please consider donating any toys, stuffed animals, clothing, linens, books and magazines to Neighborhood Relief. They will take those items and in turn provide vouchers to our residents for needed items. Please consider taking any expired or close to date food items to Our Daily Bread. They are better able to use these items in a timely manner. Questions? Contact us at 419/222-4663 or samhouse@samaritanhouselima.org
